

Instructions to Contributors

Submitted articles must be unpublished, that is, not having been submitted for consideration elsewhere. If formerly published in a book of congress proceedings, it is necessary to indicate the name and place of the event.

A declaration must be sent to the electronic address of the *Revista Universo Contábil* informing the editors at what conference (if any) the article was previously published. The declaration must also provide information about whether or not the article has been sent to any other journal beforehand.

The articles of the recommended length with a minimum of 10 and a maximum of 20 pages can be written in Portuguese, Spanish or English. For materials presented in international congresses, it is necessary to send their version in Spanish or English, according to their presentation in those events.

The articles should be sent by e-mail only to the site www.furb.br/universocontabil. Their reception will be confirmed immediately by a message from universocontabil@furb.br.

For article submissions, the following editorial norms of the *Revista Universo Contábil* should be observed:

a) Cover Sheet in a separate file, with the following information:

- Title of the text in the language of the text and in English;
- Full name and title of the author(s), limited 4 authors per article;
- Institution of the author(s);
- Research group to which the author(s) is/are connected;
- Address (snail and e-mail) and telephone number.

b) The articles should contain:

- the title, without identification of the author(s);
- an abstract in the language of the text, in a minimum of 10 and a maximum of 20 lines, in a single paragraph, unindented, simple space between lines, followed by three to five keywords;
- an abstract in English, obeying the rules above, followed by three to five keywords.

c) Pages of the articles should be properly numbered in the upper right corner, typed in Word for Windows text editor, as follows:

- paper format: A4 (210 x 297 mm);
- font: Times New Roman, size 12;
- spacing: single space;
- paragraph indented: 1.25;
- margins: superior 3cm, inferior 2cm, left 3cm, right 2cm;
- illustrations and tables in Times New Roman, size 10;
- the citations and references should obey the current Brazilian ABNT norms.

References cited in the text should read according the NBR 10520:2002 as examples below:
